U. S. D. A. Miscellaneous Publication 337, Abbreviations Used in the Department of Agriculture for Titles of Publications, is followed in this publication.

Items marked with an asterisk (\*) are ordinarily available in microfilm or photoprint only.

Items marked with two asterisks (\*\*) have not been verified.

Call numbers following the citations are those of the United States Department of Agriculture Library.

Except for printed publications of the Department of Agriculture, which are usually available in limited supply for free distribution, the publications listed herein are not available for free distribution from the Department. However, photoprint or microfilm copies of any publication listed may be obtained from the Library at the following prices:

MICROFILMS: 50 cents for any single article, from any single volume of a periodical. Books and Serial Publications.--50 cents for each 50 pages or fraction thereof.

PHOTOPRINTS: 50 cents for each 10 pages of text or fraction thereof.

**PUBLICATIONS OF THE UNITED STATES DEPARTMENT OF AGRICULTURE, STATE AGRICULTURAL EXPERIMENT STATIONS, STATE AGRICULTURAL EXTENSION SERVICES, AND BOOKS AND PAMPHLETS FROM OTHER SOURCES**

**U. S. D. A. PUBLICATIONS**

Includes printed and processed publications of the Department received in the library during the preceding month, except materials issued for internal administrative use rather than for public distribution, and war-restricted publications.

Periodicals issued by the Department will be listed in the June and December issues only, but articles in them will be indexed currently in the sections covering periodical and serial literature.

Printed publications may be obtained free upon application to the Office of Information, United States Department of Agriculture, Washington 25, D. C., as long as the Department's supply lasts. After this free distribution is exhausted, publications may be purchased from the Superintendent of Documents, Government Printing Office, Washington 25, D. C.

Processed publications may ordinarily be obtained free of charge from the issuing bureau as long as the supply lasts.

Publications preceded by an asterisk (\*) are not available for distribution; microfilm or photoprint copies can be supplied at the cost of preparing them.
